

MEMORANDUM FOR: Dr. Whelan

I have learned that Ambassador Clark is scheduled to arrive in Washington on the evening of 14 January. He will return to Australia on the 21st. Clark will meet with Rusk and then go up to New York City for two days. He will be at the Agency on 18 January. Would you like to have lunch with him as I think this might be arranged? Otherwise, how much time would you require?
